These cards can be used many different ways.

Here are a few ideas:

1. **Memory Match Game**
   - Flip the cards upside-down on a table. Students take turns flipping pairs of cards. If students flip two cards that go together (ex: picture of peas and the word *peas*.), then they get to keep both cards. The player with the most matches wins.

2. **Make a Poster**
   - Cut apart the cards and lay them on the table. Students match the picture and word cards together. Color the picture. Then glue the picture with the word onto a large sheet of construction paper.

3. **Notebook Flip**
   - Students can make a flip-up reading activity in their reading/writing notebooks. Students glue the word card to a page in their notebooks. Then glue or tape the picture card over the top so that it can be flipped up to reveal the word below.

4. **Alphabetical Order**
   - Cut apart the word cards. Have students place them in a line, in alphabetical order.
