I Have...Who Has...
Long A Words

How to play the game:
- Distribute the cards randomly to your students. Some students may get more than one card.
- The student with the first card, reads their card aloud. (I have the first card. Who has way?)
- The student who has the card with the correct answer to the previous student’s “Who Has...” question reads their card aloud. (I have way. Who has ate?) And so on.
- Students must listen for their turn and try not to break the chain.
- When the chain circles around to the first student, the game is over. (I have tail. I have the last card.)

Suggestions:
- Print out the “I Have, Who Has” flashcards on card stock and laminate them so they will
