I searched for treasure
On a nature hike
Here are some things I found:

Birds singing in trees,
Squirrels climbing with ease,
And deer tracks on the ground.

A creek flowing fast
Then making a blast
With a waterfall of sound!
Nature Treasure Hunt
By Guy Belleranti

1. What does the narrator of the poem compare the beautiful things he sees on his nature hike to?

___________________________________________________________________

2. Name three animals the narrator mentions on his nature hike.

___________________________________________________________________
