

Name: \_\_\_\_\_

# Rocket to the Stars

By Neal Levin

- 1 I'd love to rocket to the stars.
- 2 I'd stop for breakfast first on Mars,
- 3 then visit one of Neptune's moons
- 4 and draw some outer space cartoons.
- 5 From there I'd travel further out

Name: \_\_\_\_\_

# Rocket to the Stars

By Neal Levin

- Put the events in order as the narrator says they would happen.  
Write the numbers 1 through 4 on the lines.  
\_\_\_\_\_ The narrator draws cartoons.  
\_\_\_\_\_ The narrator falls asleep.  
\_\_\_\_\_ The narrator eats breakfast on Mars.  
\_\_\_\_\_ The narrator travels away from one of Neptune's moons.
- What would be another good name for this poem?

- The last word of each even-numbered line has something in common with the last word of the line before it. What is it?

\_\_\_\_\_

- The narrator says they would draw "outer space cartoons." Use your imagination to describe what an outer space cartoon might look like. Then draw an example on the back of this page.
