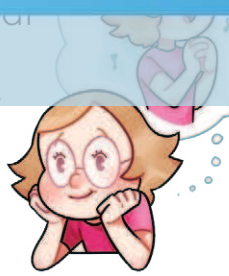
appeals to the reader's five senses (sight, sound, smell, taste, touch)



Jan's remembers filling the music hall with her angelic voice.

rhythm

the beat and pace of a poem

Beats are created using stressed and

consonant sounds

The dynamic dragon is delighted by dancing to disco.

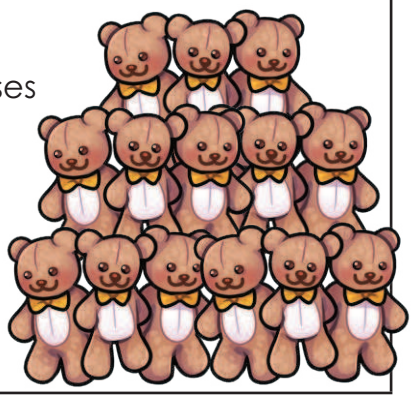
onomatopoeia

a word that imitates the sound that it describes

Pop!
Peter's tire blew out driving on the highway.

repetition

using words or phrases over again to stress importance



The bear is fluffy.
The bear is cute.
I love my bear.
