

Name: _____

Grand Canyon

The Grand Canyon is a massive, steep-sided canyon located in Arizona, in the United States. The Colorado River cuts through the center of the Grand Canyon. The Grand Canyon is 277 miles (446 kilometers) long, up to 18 miles (29 km) wide, and over a mile (approximately 1,800 meters) deep. That's huge!

President Theodore Roosevelt played an important role in protecting and preserving
