# Cody's Rock

by Faith Cormier

In the driveway, Cody found a black rock. It had yellow and red marks on it.

Cody touched the rock. A head poked out of one end. Two orange eyes peeked at Cody.

"That's not a rock," said Daddy. "It's a turtle."

"A turtle can't stay here. A car might hit it," said Mommy.

Mommy and Cody picked up the turtle. They carried it into the backyard. There were trees there.

"Now the turtle is safe," Cody said.
