Ken's room was a mess! There were toy trucks on the floor. There were books by the door. There were pants on the bed.

Ken's dad said, "This room is a pig pen! Clean it now!" He was not happy. Ken got to work.

He made his bed. He put his trucks in the toy box. He put his books away. He folded the pants and put them away.

Ken's dad came back. "You did a great job," he said. Ken and his dad were both happy.
