I feel so smart when I make art from things I’d throw away.

Look there! I’ve made three floating fish out of an old foam tray.

I fold and cut and paint and glue.

I’ve made a silly moose!

I feel so smart when I make art from things I’d throw away.

I like to save odd bits of stuff to use another day.
Junk Art
By Lill Pluta

1. What is this poem mostly about?
   a. making a house out of junk
   b. making a car from old stuff
   c. making art from junk
   d. making crafts in school

2. The poet uses a foam tray to make fish. How many fish does she make?     ___________________

3. In the poem, what happens to the coffee can?   ___________________________________________________________________

4. In the poem, what is the moose made out of?  ___________________________________________________________________

5. Give an example of a craft you’ve made. Tell what it was made from and what it looked like.
