A Year in a Poem

By Guy Belleranti

Drink lots of water
On hot summer days
And put on sunscreen
To block the sun's rays.

When autumn leaves fall
Rake them in a pile.
Then jump happily
In the leaves and smile!

Spring greets with birdsong
And plants in flower,
Then adds a surprise—
A cool, wet shower!

Winter soon follows.
Spend warm time inside.
But after it snows
Get your sled and slide!
