Name: _____

The White House

The White House has stood as a symbol of the presidency for over 200 years. The White House began construction in 1792 and concluded in 1800. George Washington did not live in the White House, but he did oversee the construction of it. John Adams and his family were the first presidential family to live in the White House.

The White House has 132 rooms. There are 16 bedrooms, 35 bathrooms, and 6 levels. The president's main office has round walls, and is called the Oval Office.
