If you are sick, your mom, dad, or doctor might give you a drug. These drugs can make you feel better.

If you see medicine or pills in the house, **NEVER** touch them.

Drugs that are not from your parents or a doctor can harm you.

④

Say "No!" if someone offers you a harmful drug.

⑤

Say "No!" and walk away.

⑥

Real friends won't ask you to do something that would harm you.

⑦

If you have a problem, talk to your parents or a teacher. They care about you!
