

Name: _____

Metaphors

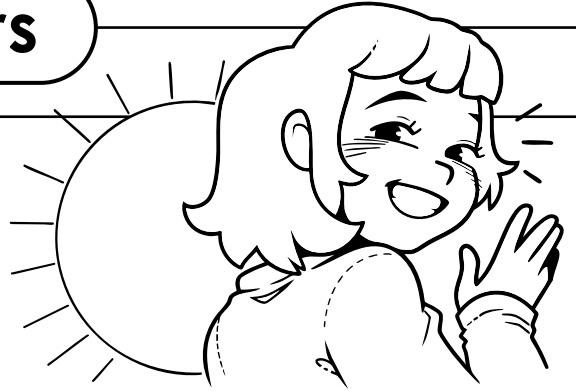

A metaphor is a comparison that describes one thing as something else, typically **without** words such as *like*, *as*, or *than*.

examples: Ximena's smile is the sun.

I own a mountain of books.

In the first sentence, the comparison suggests Ximena's smile is bright.

In the second sentence, the comparison suggests a huge stack of books.

Write six metaphors about six different people, objects, or places in your life. Be sure any metaphor about a person is kind and positive.
