“It Makes Cents” Song

by Liana Mahoney

(Sing to the tune of “BINGO”)

It makes good cents to know your coins,
And know their values!

Penny, ONE!

Nickel, FIVE!

Dimes are TEN, but
TWENTY-FIVE

is the value of a quarter!

A dollar's worth ONE HUNDRED!

It makes good cents to know your coins,
There was a farmer who had a dog,

And know their values!
And Bingo was his name-o.

Penny, ONE!
B I

Nickel, FIVE!
N-G O

Dimes are TEN, but
B I

TWENTY-FIVE
N-G O

is the value of a quarter!
B I N-G O

A dollar's worth ONE HUNDRED!
And Bingo was his name-o.
