Step 1: Type your spelling words.

- Be sure the words are spelled correctly.
- Number your word list.

Step 2: Adjust the font and size.

- Choose *Arial* font.
- Change the font size to 16 point.

Step 3: Save or print your file, as per your teacher's instructions.

Teacher Notes

- For this activity, you can use any word processor, such as Microsoft Word, OpenOffice, or GoogleDocs.
- We suggest you disable automatic numbering. It can be confusing for students, especially if they are leaving blank lines between words with the enter key.
- We also suggest that you disable the spelling auto-correct feature. This will prevent the computer from correcting words automatically, without the student noticing.
