This week's words use word parts that originate from different languages, but that mean the same or similar things.

| Greek        | Latin                    | Meaning        |
|--------------|--------------------------|----------------|
| <i>mono</i>  | <i>uni</i>               | one            |
| <i>di</i>    | <i>bi/du</i>             | two            |
| <i>poly</i>  | <i>multi</i>             | many           |
| <i>hydra</i> | <i>aqua</i>              | water          |
| <i>phon</i>  | <i>aud</i>               | sound; hearing |
| <i>scope</i> | <i>spic/spec/vis/vid</i> | see; look      |

- ▶ Write a **G** next to words that use a listed Greek word part.
- ▶ Write an **L** next to words that use a listed Latin word part.
