

PENELOPE PEABODY

Lost IN THE UNITED STATES!

Yesterday afternoon I saw Crater Lake. I wanted to go diving to the bottom, but someone told me it would be nearly impossible. It's the deepest lake in the USA - over 2,148 feet (655 meters) deep!

I a
"Y,
my
man must have been a little confused.

I am lost yet again!

Which state am I traveling
through this time?
