

PENELOPE PEABODY

Lost IN THE UNITED STATES!

I've finally arrived in my home state here in Big Sky Country. Before I go home to Butte, I'm going to take a drive through Glacier National Park. I want to have my picture taken by a real Glacier that was formed thousands of years ago during the Ice Age. Maybe I'll even

while I've been traveling the country. I'm excited about
all of the wonderful sights I've seen and the people I've
met. I was an exciting journey, but I'm glad to be back
because there really is no place
like home.

Do you know the name of
the state that I live in?
