Even though it was melted, and no longer cool, he liked the snack.

My dad was so sleepy after work, he took a rest on the sofa. While he was napping, I softly crept into the kitchen and made him an ice cream sundae. I put it on the table next to the couch so he would notice it when he woke up. An hour later, he opened his eyes and he saw the dish of melted ice cream on the table. Even though it was melted, and no longer cool, he liked the snack.
