Transition Words

Some transition words can help readers understand the sequence or timing of events in a text.

Examples of transition words that help a reader understand time include:

- before
- after
- next
- meanwhile
- finally
- first
- since
- during
- then
- lastly

Write a sentence, or a pair of sentences, using each transition word. Be sure your transition words connect two sentences or ideas together. Underline the transition words in your sentences.

examples:

afterwards  Ginny went to breakfast with her father. Afterwards, they went grocery shopping.

1. before
   
   

2. finally
   
   

3. since
   
   

4. then
   
   

5. during
