

Name: _____

Style, Tone, and Audience

While on vacation, Xyla ate at a wonderful restaurant. She wants to tell her best friend about the experience over email. The below are excerpts from two drafts.

Draft A

Rocco's Retreat is leagues better than anything we've got back home. The appetizers were to die for. Honestly, the chicken parmesan was probably the best I've ever eaten in my life. And don't even get me started on dessert! It was the definition of "chef's kiss." Plus, get this: the whole thing is smackdab in the middle of this shore that's facing a waterfall! It's absolutely *gorgeous*. If you're ever in the area, you've gotta try this place for yourself.
