Style, Tone, and Audience

Bruce wants to convince his teacher and principal to plan a field trip to a local theater. He plans to send them a letter. The below are excerpts from two drafts.

Draft A

Could our next field trip be to the theater? We've dragged loads of places that don't really relate to anything, but Community Grand is doing *The Phantom Tollbooth*. We just read that. It couldn't be more perfect! I think that'd get kids super excited. We'd also learn a lot. Reading books is great and all, but it's totally different seeing something switched up for stage. And isn't learning new things kind of the point of school field trips?
