

Name: _____

Voice and Audience

Stylistic and tonal choices, such as sentence structure, word choice, or level of formality, help create an author's voice and give writing personality.

Rewrite the bland text below using a consistent style and tone appropriate for talking with your **best friend**. Include additional details to develop your voice, but do not change the overall meaning.

There was no school Monday. It was a holiday. It was good to stay home. I did many enjoyable things. Some were inside activities. Others were outside. We had a nice dinner. Bedtime was late too. I hope the next holiday is soon.
